Dear Mr. Newell:

On September 13, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of Truck Equipment Sales & Service, Inc. (TESS). The purpose of the inspection was to determine TESS's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100

As a result of the inspection, TESS was issued Letter of Deficiency No. WMD 02-50 (LOD). Based upon a review of TESS's submittal dated December 9, 2002, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor TESS's compliance status through record views and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Linda R. Birmingham or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
